### ***Application Instructions for Students:***

1. Approach an eligible NSERC supervisor and request to apply to this award with him/her (a list of supervisors is available at <http://home.psych.utoronto.ca/undergraduate/awards.htm>). Supervisors may have several students doing the same and may hold interviews or ask for your CV and academic history to determine who the best candidate is. Please give yourself and the supervisor you are interested in plenty of time to go through all of these procedures.
2. Print a copy of the **application checklist** (available at <http://home.psych.utoronto.ca/undergraduate/awards.htm>) to use as a guide while filling out your application.
3. Once you've **secured your supervisor**, order an official copy of your UofT transcript and either have it sent to the Undergraduate Administrator in Sidney Smith Hall, room 4014 or submit it in person (in a stamped and sealed envelope). Do **NOT** order your transcript until an NSERC eligible supervisor has fully agreed to apply with you. Please note that if you attended any other universities in addition to UofT, you will need to order transcripts from those schools as well.
4. Complete the latest version of the application (Form 202, Part I) online at [http://www.nserc-crsng.gc.ca/OnlineServices-ServicesEnLigne/Index\\_eng.asp](http://www.nserc-crsng.gc.ca/OnlineServices-ServicesEnLigne/Index_eng.asp). Follow the instructions carefully and adhere to NSERC's General Presentation Guideline (there is an online tutorial at [http://www.nserc-crsng.gc.ca/Students-Etudiants/Videos-Videos/usra-brpct\\_eng.asp](http://www.nserc-crsng.gc.ca/Students-Etudiants/Videos-Videos/usra-brpct_eng.asp))  
**\*HANDWRITTEN APPLICATIONS WILL NOT BE ACCEPTED\***
5. Contact the Undergraduate Administrator ([undergrad@psych.utoronto.ca](mailto:undergrad@psych.utoronto.ca)) for a PDF copy of your transcript to be emailed to you. Please allow several business days for this to happen (receiving of transcript and scanning into PDF). Once received, upload the PDF to your online application.
6. Upon completing Part I of Form 202 online and uploading your transcript, click on **VERIFY**. Next, provide your supervisor with the reference number given to you by the system (supervisors will not be able to complete Part II of Form 202 if they have not received the reference number). Once your supervisor has completed the application, he/she must also click on **VERIFY**, but **SHOULD NOT** click on **SUBMIT** yet (your supervisor will be instructed to do this at a later date by the Undergraduate Administrator **ONLY** if your application is successful).
7. Print Part I of your completed application and obtain the completed Part II from your supervisor. Submit Parts I and II along with the completed Student/Supervisor Certification form (note that it must bear your and your supervisor's original signatures), checklist, and a printed copy of your PDF transcript by the due date. Please make sure that every part of the application is printed **single-sided only** and that there are **no staples!**
8. You will be advised of the status of your application no later than **Monday March 7<sup>th</sup>**. Please do not contact the Undergraduate Administrator for results before this date.

**Note to Students:** You must commit to working approximately 40 hours a week, each week of the 16-week term. As a result, you will not be able to enrol into summer classes unless they are scheduled outside of the time you are expected to be in the lab (ie., classes scheduled in the evening from 5-8 or 6-9 p.m. would be acceptable).
